

Active Support Policy: **HEALTH AND SAFETY**

Health and Safety Policy	<u>Valid From:</u> 01.11.2021	<u>Review Date:</u> 01.11.2022	<u>Approved by:</u> Matthew Ford Shahed Koyes
---------------------------------	--	---	--

Health & Safety Policy Statement:

The Governors and Directors of Active Support Education Centre are committed to ensuring a safe and healthy environment and for providing safe equipment and procedures for all staff, learners and visitors involved in school activities. They recognise also their responsibility to consider the health and safety of visitors or any other person whose health or safety may be affected by the school's activities.

1. Objectives

- 1.1. Active Support Education Centre will ensure that the health and safety of all staff, learners and visitors are safeguarded, so far as is reasonably practicable, and this responsibility ranks equally with any other managerial or supervisory responsibility. There is also a legal and moral responsibility on all employees to safeguard their own health and safety and to co-operate with the employer by following established procedures and bring to the attention of management any health and safety problems of which they are aware.

2. Aims

- 2.1 It is the intention of the Director's that the established policies and procedures issued by the LEA shall be followed and developed locally to meet the needs of the provision, as set down in this policy statement.
- 2.2 The aim is to ensure that health and safety becomes an integral part of all activities and that it is achieved in a way that is consistent with curriculum, and other needs.
- 2.3 Active Support will work in a constructive and co-operative way with safety representatives in order to promote high standards of health and safety. This policy will be reviewed at least annually by the directors to ensure that it is kept up to date.

3. Organisational Structure and Responsibilities

- 3.1. General
 - 3.1.1. Overall responsibility for managing effective health and safety policy and procedures, including ensuring the provision of any necessary training rests with the Directors. Day to day executive responsibility rests with the provision manager.
 - 3.1.2. The Manager is appointed as health and safety liaison officer for the provision and, after training, will co-ordinate the

arrangements for maintaining statutory procedures/records required under the Health and Safety at Work Act. He/she will also keep this policy document under review and initiate action if it needs to be changed to keep up to date, e.g. because of changes in legislation or responsibilities.

3.1.3. Notwithstanding the appointment of a Health and Safety Liaison Officer, each member of staff, or other person with supervisory control over any provision activity, has a duty to ensure that agreed health and safety procedures are implemented for their activity. Each staff member will periodically carry out a check and will bring any health and safety problems to the attention of the provision manager.

3.1.4. Active Support staff have the responsibility to check the general condition of the premises and, in particular the non-classroom areas, and for ensuring that Health and Safety hazards are dealt with. Where action required is outside his/her authority or ability, the matter will be reported to the Centre Manager and/or Directors.

3.2. A regular review of arrangements and/or audit will be carried out.

4. Specific Hazards/Designated Duties:

4.1 Fire Precautions:

The provision manager is responsible for ensuring that Fire Drills are carried out in accordance with Local Authority guidelines and for co-ordinating other aspects of fire safety at the centre, including ensuring staff and learners are aware of the emergency meeting point.

4.2 First Aid:

4.2.1 An up to date list of trained "First Aiders" will be posted up in reception, on staff notice boards and in the Directors office.

4.2.2 A first Aid box, as required by the First Aid at Work Regulations 1981, will be kept in reception and most classrooms. The Centre Managers will restock the First Aid boxes as and when required.

4.3 Accident and Ill Health Reporting:

4.3.1 The First Aider is responsible for ensuring that a record of all accidents is kept and that the forms are completed where appropriate and copies are kept in the general office in the filing cabinet and Directors are informed.

4.3.2 The Director is responsible for reporting to HSE / enforcement officer any incident which falls under the RIDDOR 2013 reporting requirements. Directors will then review the risk assessment procedures and put into place any remedial action required.

4.4 Equipment and Electrical Testing:

- 4.4.1 The arrangement for periodic testing of the fixed electrical installation on the site is the responsibility of The Director.
- 4.4.2 Day to day inspection of all equipment to detect visible signs of damage or deterioration rests with the user, or in the case of equipment used by learners, with the centre Manager.
- 4.4.3 Any equipment found to be unserviceable, or in any case of doubt, will be taken out of service, adequately labelled, locked away and the defect reported to the provision manager who will arrange for repair or replacement. All electrical equipment brought into the provision from other sources, e.g. on loan, will be checked for its suitability for the purpose for which it is to be used. The person arranging for its provision has a duty to ensure that this is done. The personal property of staff, used on site, must also be checked for safety.

4.5 **Hazardous Substances:**

- 4.5.1 No hazardous chemical agents will be used in the provision until an assessment has been carried out in accordance with the Control of Substances Hazardous to Health Regulations 1988 (COSHH).

4.6 **General Maintenance:**

- 4.6.1. The Director and Maintenance Officer will carry out quarterly building checks on general items such as lighting, decoration, equipment and furniture and external areas with a view to formulate a maintenance plan that keeps the building in a safe and good condition.

4.7 **Visitors:**

- 4.7.1 The Centre staffs are responsible for arranging that the arrival/departure of all visitors to the centre site (other than parents collecting/delivering children) is entered into the visitor's book to be kept at the reception desk/office, and a Visitors Badge is displayed.

4.8 **Contractors:**

- 4.8.1 The primary duty for establishing and monitoring safe working of contractual maintenance on the premises rests with Centre Manager, who will liaise on a day to day basis with contractors working on the site from the point of view of the health and safety interface between their work and the functioning of the provision. The provision of information on emergency arrangements at the centre will form part of this liaison.

4.8.2 Where the provision commissions work direct from a contractor the Directors will assume the responsibilities otherwise falling to Centre Managers.

4.9 **School Visits:**

4.9.1 The person organising any external visits away from the school is responsible for carrying out necessary pre-visit arrangements and obtaining authorisation from the director before the visit takes place.

4.9.2 A risk assessment for each visit must be produced and copies passed to the Director prior to each visit.

4.9.3 If the venue is not able to provide copies of their own risk assessments, then the Visit Organiser must complete the forms.

4.9.4 The Visit Organiser is responsible for ensuring a first aid box is taken.

4.9.5 The Visit Organiser will have a Centre contact list with him/her at all times.

4.10 **Catering Safety:**

Responsibility for health and safety aspects of the work within the kitchen rests with the Hospitality and Catering staff who have been delegated responsibility. The Hospitality and Catering tutors and staff will co-ordinate safe working practices where there is a use of facilities by learners, including regular deep cleans and degreasing of equipment.

4.11 **Work Experience:**

The Directors are responsible for ensuring the pre- Health & Safety placement checks are carried out on any prospective work experience placement providers prior to any learner starting on placement. This will include the completion of a Work Experience Health & Safety Placement check form. Regular checks throughout the placement will be made as required.

4.12 **Pandemic**

All staff are responsible for following local and national government guidelines in the event of a pandemic. Lockdown and social distancing advice to be followed at all times and local authority to be informed of any reported cases of infections.

ARRANGEMENTS AND PROCEDURES

5.0 GENERAL:

The procedures used at Active Support will be in accordance with the current policy guidelines and procedures.

5.1 Induction Training:

All new members of staff (teaching and non-teaching) will be provided with induction training appropriate to their health and safety needs. In the case of volunteer helpers it will be the responsibility of the Centre Manager or to ensure that appropriate information is passed on to them also.

5.2 Risk Assessments

General risk assessments are completed annually in line with activities and areas used on a day to day to basis by the Director responsible for Health & Safety. All staff are expected to carry out daily checks of their working areas and report potential safety issues immediately to the Directors.

5.3 School Visits:

5.3.1 For all school visits the appropriate guidelines are adhered to. This will include the preparation of a plan of action identifying any special health and safety requirements and how they are to be met. A copy of the procedure is kept in the office. The venues chosen for school visits are as far as practicable to be restricted to those with no significant hazards.

5.3.2 For all visits the appropriate ratios of adults to learners is calculated and the necessary staff and adult helpers are provided. A risk assessment must be undertaken and copies passed to the Director.

5.3.3 Before any party leaves the centre all accompanying adults are instructed and briefed about the safety and control procedures and all learners are briefed and instructed on safety procedure, in particular the need to stay close to the supervising adult at all times.

5.4 Personal Protective Equipment (if needed):

5.4.1 Personal protective equipment will be provided in accordance with the advice in LEA policy guidelines. Arrangements will be made to check that it is properly used and maintained.

5.5 Medicines:

5.5.1 Prescription medicine may be administered to children, but only at the specific request of the parent or guardian and after the completion of the medical form (Appendix 1). All such medicines will be stored in the office away from children and will be permitted to be self-administered under the supervision of a competent adult.

5.6 Sources of Further Advice on Health and Safety Matters:

5.6.1 Active Support will seek specialist advice on health and safety from the Health and Safety Unit or Occupational Health Unit of Personnel Consultancy Division, Luton Borough Council or other appropriate source, where matters are outside the competence of the provision's personnel.

Additional Policies to be read: Medication Policy (Appendix 1)

6. Monitoring, Review and Evaluation

The Directors will be responsible for the successful implementation of this policy and ensure our health & safety policy is relevant to our staff, visitor and learner's needs. This will be done through consultations with the landlord, managers and site staff.

This policy will be reviewed annually by the Governors.
