## SPRING TERM 2022

Students have been helping to keep their environment clean and tidy, voluntarily, by litter picking.

Hospitality students learned decoration skills for cakes and biscuits, ready for St Patrick's Day.

Students and staff participated in Red Nose Day activities, making learners laugh whilst learning a bit of the background of this day and charity.

# We've had so much fun & Learning over this term!

Learners have used carpentry and art skills to transform a dolls house to give to a local nursery.

Belle, our therapy puppy, started when she was just 3 months old and is growing with our learners, supporting them and getting them out and active.

Inspired by the Great Pottery Throwdown, some students have really got involved with making their own crockery sets.

Our students are strongly encouraged to make snacks and lunches to promote their independent life skills.

We are pleased to advise that we have established a regular visit from a CAMHS mental health practitioner. Amanda Tiorney is working with students and parents, providing additional support and guidance. Drop in sessions are also provided along with educational sessions around mental health and wellbeing.

Congratulations to Rena and Galyna on achieving their QTS award in partnership with Chiltern Training Group.

Students have been working on their pad work and boxing skills in sport sessions with Active Luton.

We have welcomed a past learner back for work experience and he has proved well with the kids, getting them to engage with work and discussing his previous experiences and relating to them.
