## SUMMER TERM 2022

*need to contact us?*

Telephone: 01582 256040

E-Mail: [info@activesupportededucation.co.uk](mailto:info@activesupportededucation.co.uk)

We've had so much fun & learning over this term!

Lots of science experiments, like this GCSE experiment for density.

Our learners really enjoyed their first Rugby fitness session run by Dallaglio Rugby Works at Luton Rugby Club. Looking forward to further collaborations next term.

Practising for sports day

Students enjoyed a rather damp visit to Batford Springs with Belle on lifeguard duties.

Dan has been working fantastically well on his Hospitality course. With help from local business Chicken George in Stopsley, he has been perfecting his own fried chicken seasoning. Future superstar chef in the making.

Goodbye and thanks to Sema and Julia who have left our team to start a new work adventure!

*Thank You*

Also good luck to Faye and we hope she enjoys her maternity leave!

We finish at lunchtime on Friday 22nd July.  
Have a safe summer break!

## *key* **DATES**

We look forward to welcoming the students back on Friday 2nd September at 9:15am until Friday 16th December, with half term from Monday 24th October to Friday 28th October 2022.
